

# Building Biomass Value Chains

## Workshop Series

### Thunder Bay

Jan 24, 2017

Lakehead University  
Avila Cafeteria (AC 127)

**Register:**

[biomass-  
thunderbay.eventbrite.ca](http://biomass-thunderbay.eventbrite.ca)

### Sault Ste. Marie

Feb 7, 2017

Quality Inn & Suites  
LaFleur Room

**Register:**

[biomass-  
sault.eventbrite.ca](http://biomass-sault.eventbrite.ca)

### Kenora

Feb 23, 2017

Seven Generations  
Education Institute  
Library Room

**Register:**

[biomass-  
kenora.eventbrite.ca](http://biomass-kenora.eventbrite.ca)

### Topics:

- Pan-Canadian research on growing energy crops on marginal lands
- Regional biomass resources and feedstock options
- Opportunities and challenges to biomass-based energy systems
- Feasible and low-cost bioenergy solutions
- Interactive workshop exercises
