Bioeconomy Trade Mission to Netherlands and Sweden – Delegate Package Summary

Join us this spring as we embark on a bioeconomy trade mission to Netherlands and Sweden. Our aim is to bring a delegation of 15-20 Canadian companies or organizations to attend World Bio Markets 2019 in Amsterdam, Netherlands, and to participate in a knowledge transfer seminar, site visits and B2B meetings in Stockholm, Sweden.

Dates: April 1-5, 2019 (does not include travel days)

Locations: Amsterdam, Netherlands (April 1-3)
Stockholm, Sweden (April 4-5)

Target Sectors: clean technologies; biofuels; biochemicals; bioproducts; forest equipment; value-add forestry; renewable energy systems; manufacturing; agribusiness; research & innovation
